Notes From Facilitator
Chapter 1 : *Sudah bagus. sudah bisa menggunakan bootstrap dan membuat style css custom*
Chapter 2 : *Di challenge ini, student sudah dapat menggunakan git, menerapkan responsive dan slicing UI dari figma. Namun, masih perlu meningkatkan kemampuan css agar lebih akurat lagi teknik slicing-nya. Sejauh ini sudah bagus.*
Chapter 3 : *Sudah bisa membuat solusi algoritma namun perlu untuk membiasakan programming dengan Javascript*
Chapter 4 : *perlu mengulang materi ch4*
Chapter 5 : *sudah bagus, namun perlu mengulang kembali materi tentang ERD*
